American Legion Posts 162 (Lorton) and 2001 (Ashburn) will jointly present a UTV (Ultra Terrain Vehicle) to *Mister* Brian Brennan (aka Captain Brennan, USA), a seriously combat injured (double amputee) Army Captain still serving on active duty (Note: for purposes of receiving this donation, the Army requires *Mr.* Brennan to receive it as a private citizen).

Post 2001 arranged for the donation by Dr. Ike Lans, and Post 162 (Lorton) identified the recipient and coordinated the logistics with the UTV modification firm and transport carrier.

All Post 2001 members and families are welcome to attend this moving event which equally recognizes our most patriotic donor, Dr. Ike Lans, and the incredible courage, sacrifice and commitment of Captain Brian Brennan!

We will coordinate maximum publicity for Dr Lans’ exceptional generosity!
